Frontier

# Divide space

Frontier is a complete range of screens and panels for dividing and structuring your work space.

# Bring people together

Straight screen with accessory rail on one side  
fabric on opposite side

## Balance privacy and collaboration.

A company is an active  
and interactive environment  
where obtaining the right balance  
between privacy and collaboration  
is fundamental.

Straight panels (H:1700 mm)  
Image glass (Master square glass)

# Define territories

## Facilitate interaction

Maintain personal space.

People want to have ownership over their work space to feel at ease. Frontier provides them with the means to personalise and organise their territory:

- pinnable panels and screens for privacy.
- built-in accessory rails.
- glass partitions encourage interaction.
