Cricket™ Laptop Support

Mobile workers spend long hours hunched over laptops. Now there is a way to take the comfort of a full-size PC on the road...

The **Cricket™ Laptop Support** elevates the screen for comfortable computing and viewing. **Cricket laptop support** provides an ergonomic viewing. It props up the laptop and allows adjusting the screen height.

The stand is adjustable to accommodate all screen sizes.

Cricket is extremely portable: folded up, it fits in a pocket or computer bag, making it an ideal accessory to take along anywhere.

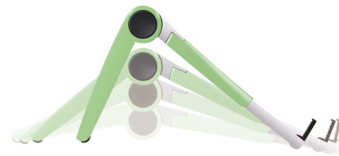

- It allows air to circulate beneath and around the computer, keeping it cool.
- It enables the use of full-size keyboard for more efficient computing.
To be used with an external keyboard and mouse.
- It can also be used with digital tablet for greater readability and more comfortable writing angle.

Folds to fit in your pocket.

Elevates screen for comfortable viewing.

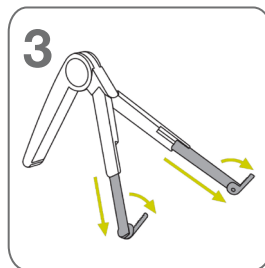

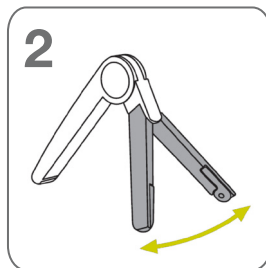

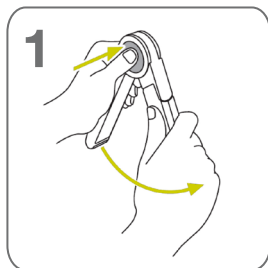

Adjustable height.

Ideal for use with digital tablet.

How to use it
