# SOTO™ LED Light

The new Steelcase LED task light will help **control glare** for the user, **control energy** spending for the company.

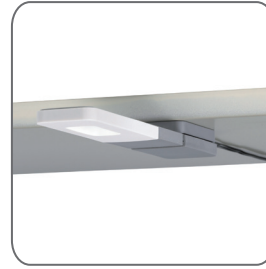

- Minimalistic design with simple lines, its light weight makes SOTO LED light easy to position where needed.
- Environmental friendly: Mercury free LEDs, Low energy consumption and reduced need for replacement bulbs (4 watt LED).
- 3 versions available: SOTO Standard and SOTO Extended with freestanding base or c:scape rail fixing; SOTO Mini which can be fixed under storage elements or shelves (magnetic or screws).

SOTO LED Task Lights are simple and easy to use, and are designed to complement a variety of furniture applications.

SOTO Extended LED Task Lights are longer for greater reach for deeper worksurface applications.

Mini SOTO LED has all the intelligence and design integrity of its parent: SOTO LED Task Light. Ideal to illuminate darkened areas beneath storage and shelves.
